Romans 1:17

When Jesus Christ came in the fullness of time, He went and died on the Cross. He gave his life for you and I that we may live an abundant life in Him!

By faith we have to realize that we have died with Christ, and has risen to walk in the newness of life. We need Jesus every step of the way!

We couldn't pay the sin debt that was held against us, it took Christ to pay the penalty for us. The price that He paid was for all of our sins. We all need to realize that He went through much pain, grief, sorrow, and was despised! He went through it all for you and I.

Jesus made a provision for us, it's for everyone who wants Him! He wants us to repent and come back to God, but it's up to every individual if they want to accept Him. He would never make us serve Him, He gives everyone a free will.

When Jesus Christ came in the fullness of time, and went and died on the cross, He gave his life for you and !!

In Revelation 22:17, He tells us "that whosoever will, let him take the water of life freely." Before the provision, we couldn't come to Jesus freely, we were separated because of sin. But when Jesus died on the cross, He paid the penalty, the sin debt that you and I couldn't pay. Who wouldn't serve a God like Him! Likewise, Paul recognized this for himself.

That's why it's important that we come to a place in our lives where we understand all of what Jesus has accomplished on the Cross.

Sanctification is another important part in our walk with Christ. As He is holy, we must be ye holy. When we read God's word, we should seek to understand what His Word is saying to us and how it guides us to live. We must remember that we can do all things through Christ who strengthens us! Jesus is our source, He is our strength, He is our life.

We can do all things through Christ who strengthens us! Jesus is our source, He is our strength, He is our life.

We must dress up in Jesus, with the Word of God, and then we will know how to live for Him. We must allow the Holy Spirit to teach us the ways of God, and we would live a victorious life in Him! When we look at the lives of different people in the Bible, we see many examples of how some went through hardship, pain, and suffering, and was used by God greatly. Great example, Paul.

After Paul had his experience on the road to Damascus, he went through much sufferings. Along with the sufferings, he experienced hardship and lack, but throughout it all He knew his purpose in Christ. Because of this, he able to be used by God greatly. Likewise, in order for us to be used by God, we must depend on Him, put our Faith in the finished work of Christ, and use God's Word to bring us through whatever we have to face.

We must allow the Holy Spirit to teach us the ways of God, and we would live a victorious life in Him!

In our walk with Christ, we must not allow our material possessions to dominate (have power) to control our lives (for example look at Paul's life.) Although he had a lot in his life before Christ, he counted it all as nothing to gain Christ (Philippians 3:8).

In Matthew 13:44 it tells us "Again, the kingdom of heaven is likened to treasure hidden field, that which when a man has found he find it, he hide it. And for joy thereof go and sell it all that he has and buys that field." Understand that we have all that we need in Christ, therefore, we must let go of everything that has been drawing us back and hindering us. We don't need to take what the enemy has to offer us.

Jesus came and died on the Cross so that we can live an abundant life in Him, a victorious life! What He accomplished on the cross is the treasure for Believers. As Believers, we don't have to worry or be anxious for anything (Philippians 4:6-7)!

All that we need is in Christ Jesus! By Faith, we believe He died on the Cross for our healing, deliverance, peace, joy, strength, and more. It is finished! God is looking for someone to show Himself strong on their behalf. He wants to do exceedingly and abundantly, above all that you and I can ask or think. We have to allow His power to work in us!

Everything that we go through, we have to use the Word of God for it. His word that is life (Hebrews 4:12)!

YOUR PRAYER TO GOD

By the Grace of God and believing in what Christ has accomplished on the Cross, I will allow The Holy Spirit to lead, guide, and direct me.

In Jesus name. Amen.
